BIORHYTHM CHARACTER ANALYSIS and COMPATIBILITY is used in this newsletter.

The news media says what happened, THE TRUTH tells why. Each day has its own set of biorhythm numbers. They tell our true character just as astrology does. This is much easier. To do a chart that shows the ups, downs & critical days, another set of numbers would need to be added to the personal numbers. The personal numbers tell what we are like in our hearts.

THE U.S. PRESIDENCY

The Democrats have said Walter Mondale is their preferred choice for President (1984) & several unions say they would back him.

Born 1-5-28

Confidence	5 (57%)	{ Personal Biorhythm Numbers
Emotional	12 (14%)	
Mental	20 (21%)	

He would be a good talker. He is a humanitarian (#12 emotional) who would have tunnel vision. He would be able to see his pet projects but not how they would affect those who are not included.

Adolf Hitler & Rev. Jerry Falwell are in this emotional range. Hitler believed the Arian race was superior & did not care how he hurt others. Falwell wants to save unborn babies & cannot see how women who do not want the babies will be hurt if abortions are not allowed. By calling his organization "The Moral Majority" shows how narrow are the sights of the humanitarian types. They are not the majority. Mondale would have his pet projects & that would mean to hell with all others. who are not within his sights.

Mondale is a martyr (21% mental) who is attracted to the unusual & to trouble. He would think of original ways to do things. He does not need power & could let those who do, control him. He sees the details of something but not the overall picture. His confidence is not too high (57%) so he would have some trouble saying no. He would be likely to trust those he should not.

Mondales wife Joan would love to have him become president.

Born 8-8-30

Confidence	2 (83%)	{ Personal Biorhythm Numbers
Emotional	18 (29%)	
Mental	31 (88%)	

She has a typical STAR personality. We would see & hear plenty from her. She is a natural child (#18 emotional) who needs a lot of attention & will do anything to get it. She is high in confidence (83%) & needs power (88% mental). This would be a

case of the wife controlling the Presidency, as much as she could. She would play the role of a martyr to get her own way. She is not a martyr. People would cater to her.

Senator Robert Dole (7-22-23) wants to run for President. He also has a star personality. He is 90% like Joan Mondale. Doles wife Elizabeth (7-20-36) is a natural parent & would cater to Robert like a mother would to a child. Robert & Elizabeth are very beautiful people. It seems Americans would rather have beauty than competence running the country.

Civil Rights Leader Rev. Jesse Jackson also is considering running for President. Born 10-8-41

Confidence	17 (48%)	{ Personal Biorhythm Numbers
Emotional	27 (93%)	
Mental	11 (33%)	

He cares about people & things (#27 emotional). He is a martyr who is attracted to the unusual & to trouble (33% mental). Jackson is naturally paranoid & would feel people are out to get him even when they are not. The Presidency is not a place for someone like that as we have learned from having Richard Nixon for President.

A person who is naturally paranoid has a high emotional percentage & a low mental percentage. The mental percentage is not the intelligence. The greater the distance between the two percentages, the greater the natural paranoia. The difference with Nixon is 83%, with Jackson it is 60%. Nixons paranoia made him spy on everyone because he felt they were out to get him & eventually they did go out & get him because of his actions. Jackson has a lot more to worry about because he would be concerned about the whites & that is a lot of people. Ex-President Nixon & Jackson are overall 85% alike.

Jacksons paranoia helps him with his work waking up the people but would make him ineffective in the White House where he would be worrying about the politicians from up close.

Nixon was on the House of Un-Ameri-

ADVERTISING RATES TOO HIGH?

At least 500 of your flyers can be mailed with THE TRUTH for 3½¢ each (\$17.50).

My printer will run 500 of your flyers for \$17 (one side). save you from having to send them thru the mails. That would be \$17 plus \$17.50 (\$34.50). I reserve the right to accept or reject any advertising.

SOME GET FAT when they are discouraged. Instead of getting the love & encouragement they need, others get down on them for getting fat & that makes them more discouraged.

can Activities Committee in the 50s with Senator Joseph McCarthy who was also paranoid (70%). Nixon was fighting those he felt were communists & Jackson is fighting those he feels are against blacks.

We need a person who has all high percentages for president. These are the dynamic ones. They would not bow to anyone or be afraid of anyone & would be able to run the show. They would be executive material. VicePresident George Bush (6-12-24) has all high precentages.

Only someone who has done wonder-ful things for society & we all know his/her name should run for President.

THE GROOM WORE SNEAKERS

The bridegroom wore his running shoes to the wedding. This man is a martyr (39% mental). He is attracted to the unusual & to trouble. The trouble came when people tried to force him to conform. He is now 58 years old & knows no one can do any-thing to him if he does not conform as long as he does not hurt others. He is respected because he dares to be different. He lacks confidence (39% physical) but has gained it as he has matured & tested society. He used to be a very angry man when he was young-er. Always fighting to keep from being controlled. Along the way he realized this only gave him unhappiness. People rejected him. He had to learn to gain his freedom in a more positive way & he did. What a miracle. Now he cares about people & things (#22 emotional) & shows it & gets love back.

The groom danced with every woman who did not have a partner. He did not just dance with the young ones. He danced with some twice. He is not attractive in appearance but he is a beautiful man. He loves parties. The bride & groom stayed til the end.

You can order an indepth character analysis. See order form, page 3.

DISCRIMINATION SUIT

In Nov. 1978 Arthur Ochs Sulzberger, publisher of The New York Times, agreed to an out-of-court settlement of the discrimination suit brought by a num-ber of its women employees in 1974.

During the 4 year period covered by the settlement The Times had placed many women in positions of responsibi-lity that were closed to them before. In one job category that includes high management positions there was actually a decline in the number of women over the 4 years. In 1979 there were 16.7%, in 1982, 8% women. The agreed settle-ment said at the end of the 4 years there was to be 20% women in these decision-making positions.

Sulzberger born 2-5-26

Confidence	14 (22%)	Personal Biorhythm Numbers
Emotional	11 (21%)	
Mental	26 (58%)	

He needs to be heard (58% mental). He would be opinionated. His paper is his way of telling people what he thinks. He is a humanitarian (#11 emo-tional). He has tunnel vision. He would set his sights on something & does not see how his decision could hurt others, in this case, women.

He lacks confidence (22%). He would

be likely to feel women (in his childhood?) made him feel infer-ior. That insecure feeling was something he was born with not something that was done to him. He might not be able to get wo-men like he would want & could blame them because he feels in-adequate in this area. He is a romantic (22% physical) & would look at women thru rose colored glasses. He might be in awe of them & not know how to treat them & that could be one rea-son he keeps them out of high spots in his business. He has prejudices & women might be something he is prejudiced against because he does not feel secure with them.

His keeping them out of good jobs could be his way of punish-ing them for not giving him the love & respect he feels is his due. Even tho he feels insecure with women he is still a good talker.

You can order you own indepth character analysis. This is a mini one. They make unusual gifts. See order form, page 3. It has been found all those who have **CANCER** seem to be low in **SELENIUM**. They are thinking taking the Selenium could keep one from getting cancer. It is being tested.

PASSIONATE LOVE NOTE

It is said President Woodrow Wilson wrote a passionate love note to his wife everyday of their relationship.

Woodrow born 12-28-1856

Physical	0 (100%)	Personal Biorhythm Numbers
Emotional	23 (64%)	
Mental	21 (27%)	

He was a very sexy man (100% physical). He was a pleaser (#23 emotional). He was a martyr (27% mental), who could not have tolerated the same routine day after day. That sort of thing would have driven him up a wall & would have bored him to death. He could have done it now & then but not every day.

NUMEROLOGY - FIRST VOWEL

The first vowel has an affect on the total personality.
 UA...Uncanny activity
 This may cause you to be progressive, constructive, active, forceful, & productive in any area. Very active in intuition with a duality in that you can be cool & aloof or too open & free is indicated. You can get into a rut by being too concerned with pleasure seeking. Do not let convention limit your vision & what might be accomplished. Watch the trait of becoming so self-centered that others don't matter. Use your inner guidance to overrule

your strong emotions.

BORN NEW MOON 11-4-83

Confidence/stamina 14 (22%)
 Emotional 4 (71%)
 Mental 22 (33%)

The person will lack confidence & stamina (22%). Would rather have romance than sex. Will look at the opposite sex thru rose colored glasses.

Let this child keep a messy room (close the door) but teach it to respect the rest of the family & house.

This child naturally feels guilty & needs to be taught to say no to users.

Home & religion are natural elements. S/he needs a religion that teaches love, not guilt.

Is a natural parent type (#4 emotion-al). Home & immediate family are very important & would suffer greatly if the family should break up. Might hang around the home & let parents support him/her. It is important that the parents do not permit this. The lack of confidence make it difficult to go out into this cruel world. This child needs a lot of praise and little criticism.

Person is a martyr (33% mental) who is attracted to the unusual & to trouble & might trust those who will bring trouble. Needs to be careful with self-destructive things & relationships.

Might not get married until the late 30s if a Male, earlier if a Female.

Would have trouble tearing self away from the childhood home.

Needs to be careful about getting involved with the child type. This would be deadly in a marriage. They cannot give the other their kind of love.

This person has an engineer type personality.

Order your indepth character analy-

BED BREAKING

It is said that President Harry S Truman & his wife Bess kept breaking the beds in the White House. That would make one think they were very sexy. but they were not. Harry had 4% & Bess 39%. The bed (s) must have been faulty.

Men laughed at women for trying to change their sexist language. The technological revolution is breaking up the secretary job into word-processing centers. In order to attract men to these jobs the terminology is being changed. Instead of secretary there will be "Information Manager" & "keystroking" instead of "Typing".

PHONE SERVICE

I am now offering a phone service. To save time start off by giving me your name, address & phone number, your birthdate & the birthdates of those involved.

The charge will be \$1 for every 2 minutes. That would come to \$7.50 for $\frac{1}{4}$ hr, \$15 for $\frac{1}{2}$ hour.

Call Irene Hamlen Stephenson (213) 347-6949. Let phone ring at least 7 times. Call day time hours only, after 9 a.m. California time.

ANOTHER TOM JONES?

Sometimes we do not like a child that was just born and might not know why. We reason "Why would I not like this little baby? It did nothing to

me." Not liking a new born is the biorhythm working. If we are not compatible we might not like it. If we are compatible we could feel like Tom Jones (born 6-7-40) does about his grandson Alexander John born 6-12-83.

They are 91% alike in their confidence/physical. They are 86% emotionally compatible. There would be great love, trust & caring about one another. They are 88% mentally compatible. They will be able to talk things over & tell their troubles to one another.

Tom is so thrilled with this child, & no wonder. The child is 88% like him. We naturally love someone who is like us if we like ourselves. Could this be another Tom Jones the Singer?

NAPOLEON AND JOSEPHINE

		Personal Biorhythm Numbers			They were overall 61% alike. 60% & up is good.
		Physical	Emotional	Mental	
Napoleon	8-15-1769	11 (4%)	15 (7%)	22 (33%)	
Josephine	6-23-1763	1 (91%)	19 (36%)	22 (33%)	
Compatibility		10 (13%)	4 (71%)	0 (100%)	

It was love at first sight for Napoleon. Josephine did not feel that way about him. They were not physically compatible (13%) but Napoleon was drawn to her emotionally & mentally.

Napoleon had no money but he was determined to marry her. He could live a very simple life (4% physical) but Josephine needed material things (91% physical).

While Napoleon was out fighting the wars Josephine would be home cheating on him & spending money. She was a very sexy woman (91%), he was not (4%), sexy that is.

Napoleon was proud of his flower garden. The outdoors gave him energy.

Napoleon & Josephine both were natural children who would do anything to get attention (#15 & 19 emotional). They both lived in a fantasy world & would exaggerate everything.

They both were martyrs (33% mental). Martyrs are usually usual & to trouble. They loved to say & do things.

Napoleon said Josephine was a liar & a spendthrift but he still loved her. There would have been only a grain of truth in what either of them said (#15 and 19 emotional).

Where Josephine loved to spend (91% physical), Napoleon loved to save (4% physical).

What they had here was a friendship (low physical, high emotional and mental percentages) and was not suited to marriage because of the physical and money differences. He became rich so it did not matter how Josephine spent money.

PRINCESS GRACE A SAINT?

There are some who would like to see Princess Grace made a saint. They approached a church pastor in Rome & he is leading this drive. It is said people who visit her grave are getting healed. That does not seem too much like a miracle anymore because people are known to talk themselves into & out of dis-ease (not at ease). We all do it, be it a headache or what have you.

Grace born	11-12-29	{ Personal Biorhythm Numbers
Confidence	18 (57%)	
Emotional	7 (50%)	
Mental	3 (82%)	

She was a combination parent-humanitarian (#7 emotional). She needed control over others (82% mental). Her confidence was a bit low so she would bully to get her own way.

Grace did help some unfortunates in Monaco while she was alive. Some need to have heros or saints to cling to because they do not have much in their lives. They could relate to Grace because she was alive during their time.

If Grace gets beatified the Vatican will examine the miracles & her life

to decide if she was really a saint. That could take hundreds of years.

DO-IT-YOURSELF

ANYONE can do what I do in THE TRUTH. All that is needed is the birthdate (month, day & year).
